Important Parent Announcement!

We love to have parents on site to watch practices but we ask that parents stay by the barns. We already have 2 youth per horse and that's a lot of hands, feet, and voices. These are well behaved horses but there is such a thing as too much, this is why we ask that you stay by the barns. Thanks in advance!

The number of horses we have is limited due to space constraints. We can use a maximum of 12 horses. We have a limited participation of 24, so sharing is a requirement of this project. If you have a friend who you would like to partner with, please list that child's name below:
